

Forest of Bere Bowmen

Have you ever fancied trying this exciting sport?

If so, come and try it out at one of our 'Have-a-Go' sessions. These are held at our range in Horndean and elsewhere, starting in the spring. We also run beginner's courses over six-weeks, starting in early May!

Archery is a great sport for individuals as well as fun for families; in fact anyone over the age of 8 years old can take part.

Part of our shooting range at Horndean!

If you would like more information or to book a place, please contact us using the form on this website!
